A Million Dreams

I close my eyes and I can see
A world that's waiting up for me that I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, if they call me crazy
We can live in a world that we design

'Cause every night, I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make

There's a house we can build
Every room inside is filled with things from far away
Special things I compile
Each one there to make you smile on a rainy day

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
See, I don't care, I don't care if they call us crazy
Run away to a world that we design

'Cause every night, I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make

However big, however small
Let me be part of it all
Share your dreams with me
We may be right, we may be wrong
But I wanna bring you along to the world I see
To the world we close our eyes to see
We close our eyes to see

Every night, I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

For the world we're gonna make

All kinds of everything

Snowdrops and daffodils, butterflies and bees
Sailboats and fishermen, things of the sea
Wishing wells, wedding bells, early morning dew
All kinds of everything remind me of you

Seagulls and aeroplanes, things of the sky
Winds that go howling, breezes that sigh
City sights, neon lights, grey skies or blue
All kinds of everything remind me of you

Summertime, wintertime
Spring and autumn too
Monday, Tuesday, every day
I think of you

Dances, romances, things of the night
Sunshine and holidays, postcards to write
Budding trees, autumn leaves, a snowflake or two
All kinds of everything remind me of you

Summertime, wintertime
Spring and autumn too
Seasons will never change
The way that I love you

Dances, romances, things of the night
Sunshine and holidays, postcards to write
Budding trees, autumn leaves, a snowflake or two
All kinds of everything remind me of you
All kinds of everything remind me of you

Amazing Grace

Amazing grace, how sweet the sound
That saved a wretch like me
I once was lost but now I'm found
Was blind but now I see

Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

Through many dangers, toils and snares
I have already come
Tis grace hath brought me safe thus far
And grace will lead me home

When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we first begun

All through the Night – Ar Hyd y Nos

In our beds we lie a sleeping
Ar hyd y nos
While good angels watch are keeping
Ar hyd y nos
But before we go to slumber
We will pray our Heavenly Father
That he keeps us safe from danger
Ar hyd y nos

While we sleep of sweet things dreaming
Ar hyd y nos
Silver moon is o'er us beaming
Ar hyd y nos
All the world to go to slumber
We will pray our Heavenly Father
That he keeps us safe from danger
Ar hyd y nos
Ar hyd y nos

Bicycle Built For Two

There is a flower within my heart,
Daisy, Daisy!
Planted one day by a glancing dart,
Planted by Daisy Bell!
Whether she loves me or loves me not,
Sometimes it's hard to tell;
Yet I am longing to share the lot -
Of beautiful Daisy Bell!

Daisy, Daisy,
Give me your answer do!
I'm half crazy,
All for the love of you!
It won't be a stylish marriage,
I can't afford a carriage
But you'll look sweet upon the seat
Of a bicycle made for two.

I will stand by you in 'wheel' or woe,
Daisy, Daisy!
You'll be the bell(e) which I'll ring you know!
Sweet little Daisy Bell!
You'll take the 'lead' in each 'trip' we take,
Then if I don't do well,
I will permit you to use the brake,
My beautiful Daisy Bell!

Daisy, Daisy,
Give me your answer do!
I'm half crazy,
All for the love of you!
It won't be a stylish marriage,
I can't afford a carriage
But you'll look sweet upon the seat
Of a bicycle made for two.

Bless this house

Bless this house, O Lord we pray,
Make it safe by night and day

Bless these walls so firm and stout,
Keeping want and trouble out

Bless the roof and chimneys tall,
Let thy peace lie over all. . .
Bless this door that it may prove,
Ever open,
To joy and love . . .

Bless these windows shining bright,
Letting in God's Heavenly light,
—Bless the hearth, ablazing there,
With smoke ascending like a prayer!

Bless the people here within,
Keep them pure and free from sin. . .

Bless us all that we may be,
Fit O Lord to dwell with thee. . .

Bless us all that we one day may dwell,

O lord with Thee .

Blue Moon

Blue moon you saw me standing alone
Without a dream in my heart
Without a love of my own
Blue moon, you knew just what I was there for
You heard me saying a prayer for
Someone I really could care for
there suddenly appeared before me
The only one my arms will ever hold
I heard somebody whisper "Please adore me"
when I looked, the moon had turned to gold!
Blue moon!
Now I'm no longer alone
Without a dream in my heart
Without a love of my own

Bobby's Girl

I want to be Bobby's girl
I want to be Bobby's girl
That's the most important thing to me...
And if I was Bobby's girl
If I was Bobby's girl
What a faithful, thankful girl I'd be

When people ask of me
What would you like to be
Now that you're not a kid anymore
I know just what to say
I answer right away
There's just one thing
I've been wishing for...

I want to be Bobby's girl
I want to be Bobby's girl
That's the most important thing to me...
And if I was Bobby's girl
If I was Bobby's girl
What a faithful, thankful girl I'd be

Each night I sit at home
Hoping that he will phone
But I know Bobby has someone else
Still in my heart I pray
There soon will come the day
When I will have him all to myself...

I want to be Bobby's girl
I want to be Bobby's girl
That's the most important thing to me...
And if I was Bobby's girl
If I was Bobby's girl
What a faithful, thankful girl I'd be
What a faithful, thankful girl I'd be

Boom Bang-A-Bang

Come closer, come closer and listen
The beat of my heart keeps on missing
I notice it most when we're kissing
Come closer and love me tonight
That's right
Come closer and cuddle me tight

My heart goes
Boom bang-a-bang, boom bang-a-bang
When you are near
Boom bang-a-bang, boom bang-a-bang
Loud in my ear
Pounding away, pounding away
Won't you be mine?
Boom bang-a-bang-bang all the time

It's such a lovely feeling
When I'm in your arms
Don't go away
I wanna stay my whole life through
Boom bang-a-bang-bang
Close to you

Your smile is so warm and inviting
The thought of your kiss is exciting
So hold me and don't keep me waiting
Come closer and love me tonight
That's right
Come closer and cuddle me tight

My heart goes
Boom bang-a-bang, boom bang-a-bang
When you are near
Boom bang-a-bang, boom bang-a-bang
Loud in my ear
Pounding away, pounding away
Won't you be mine?

Boom bang-a-bang-bang all the time

It's such a lovely feeling
When I'm in your arms
Now you are near
I wanna hear your heartbeat too
Boom bang-a-bang-bang
I love you

It's such a lovely feeling
When I'm in your arms
Now you are near
I wanna hear your heartbeat too
Boom bang-a-bang-bang
Boom bang-a-bang-bang
Boom bang-a-bang-bang
I love you

Bridge Over Troubled Water

When you're weary, feeling small
When tears are in your eyes, I'll dry them all
I'm on your side, oh, when times get rough
And friends just can't be found

Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

When you're down and out
When you're on the street
When evening falls so hard
I will comfort you
I'll take your part, oh, when darkness comes
And pain is all around

Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

Sail on silver girl
Sail on by
Your time has come to shine
All your dreams are on their way
See how they shine
Oh, if you need a friend
I'm sailing right behind

Like a bridge over troubled water
I will ease your mind
Like a bridge over troubled water
I will ease your mind

Bring Him Home

God on high
Hear my prayer
In my need
You have always been there

He is young
He's afraid
Let him rest
Heaven blessed.
Bring him home
Bring him home
Bring him home.

He's like the son I might have known
If God had granted me a son.
The summers die
One by one
How soon they fly
On and on
And I am old
And will be gone.

Bring him peace
Bring him joy
He is young
He is only a boy

You can take
You can give
Let him be
Let him live
If I die, let me die
Let him live
Bring him home
Bring him home
Bring him home.

Bye Bye Blackbird

Pack up all my cares and woes,
Here I go, singing low,
Bye, bye, blackbird.
Where somebody waits for me,
Sugar is sweet, so is she,
Bye, bye, blackbird.

No one here can love and understand me,
Oh, what hard luck stories they all hand me.

Make my bed and light the light,
I'll arrive late tonight,
Blackbird, bye, bye.

Pack up all my cares and woes,
Here I go, singing low,
Bye, bye, blackbird.
Where somebody waits for me,
Sugar is sweet, so is she,
Bye, bye, bye, bye, blackbird.

I said, no one here can love and understand me,
Oh, what hard luck stories they all hand me.

So, make my bed and light the light,
I'll arrive late tonight,
Blackbird, bye, bye.

Calon Lan

Nid wy'n gofyn bywyd moethus,
Aur y byd na'I berlau man:
Gofyn rwyf am galon hapus,
Calon onest, calon lan.

Calon lan yn llawn daioni,
Tecach yw na'r lili dlos:
Dim ond calon lan all ganu
Canu'r dydd a chanu'r nos.

Hwyr a bore fy nymuniad
Gwyd I'r nef ar adain can
Ar I Dduw, er mwyn fy Ngheidwad,
Roddi I mi galon lan.

Calon lan yn llawn daioni,
Tecach yw na'r lili dlos:
Dim ond calon lan all ganu
Canu'r dydd a chanu'r nos.

Close To You

Why do birds suddenly appear
Every time you are near?
Just like me, they long to be
Close to you

Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair of golden starlight in your
eyes of blue

That is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair of gold and starlight in your
eyes of blue

That is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you

Just like me, they long to be
Close to you
Wa, close to you
Wa, close to you

wa, close to you
wa, close to you

Cockles And Mussels

In Dublin's fair city, where the girls are so pretty
I first set my eyes on sweet Molly Malone
As she wheeled her wheel-barrow
Through streets broad and narrow
Crying cockles and mussels, alive, alive-O!
Alive, alive-O! alive, alive-O!
Crying cockles and mussels, alive, alive-O!

She was a fish-monger, but sure 'twas no wonder
For so were her father and mother before
And they each wheeled their barrow
Through streets broad and narrow
Crying cockles and mussels, alive, alive-O!
Alive, alive-O! alive, alive-O!
Crying cockles and mussels, alive, alive-O!

She died of a fever, and no one could save her
And that was the end of sweet Molly Malone
But her ghost wheels her barrow
Through streets broad and narrow
Crying cockles and mussels, alive, alive-O!
Alive, alive-O! alive, alive-O!
Crying cockles and mussels, alive, alive-O!

Copacabana (At the Copa)

Her name was Lola, she was a showgirl
With yellow feathers in her hair a dress cut down to there
She would merenque and do the cha-cha
And while she tried to be a star
Tony always tended bar
Across the crowded floor, they worked from 8 til 4
They were young and they had each other
Who could ask for more?

(Chorus)

At the copa, Copacabana
The hottest spot north of Havana
At the Copa, Copacabana
Music and passion were always the fashion
At the copa.... They fell in love

His name was Rico
He wore a diamond
He was escorted to his chair, he saw Lola dancing there
And when she finished, he called her over
But Rico went a bit too far
Tony sailed across the bar
And then the punches flew and chairs were smashed in two
There was blood and a single gun shot
But just who shot who?

(Chorus)

At the copa.... she lost her love

Her name is Lola, she was a showgirl
But that was 30 years ago, when they used to have a show
Now it's a disco, but not for Lola
Still in the dress she used to wear
Faded feathers in her hair
She sits there so refined, and drinks herself half-blind
She lost her youth and she lost her Tony

Now she's lost her mind

(Chorus)

At the copa... don't fall in love
Don't fall in love

Danny Boy

Oh Danny boy, the pipes, the pipes are calling
From glen to glen, and down the mountain side
The summer's gone, and all the roses falling
it's you, it's you must go and I must bide,

But come ye back when summer's in the meadow
Or when the valleys hushed and white with snow
It's I'll be here in sunshine or in shadow
Oh Danny boy, oh Danny boy, I love you so.

But when ye come, and all the flow'rs are dying
If I am dead, as dead I well may be
You'll come and find the place where I am lying
And kneel and say an ave there for me.

And I shall hear, though soft you tread above me
And all my grave will warmer, sweeter be
For you will bend and tell me that you love me
And I shall sleep in peace until you come to me
Oh Danny boy, oh Danny boy I love you so.

Delilah

I saw the light on the night that I passed by her window
I saw the flickering shadow of love on her blind
She was my woman
As she deceived me I watched and went out of my mind

My my my Delilah
Why why why Delilah
I could see, that girl was no good for me
But I was lost like a slave that no man could free

At break of day when that man drove away I was waiting
I crossed the street to her house and she opened the door
She stood there laughing
I felt the knife in my hand and she laughed no more

My my my Delilah
Why why why Delilah
So before they come to break down the door
Forgive me Delilah I just couldn't take any more

She stood there laughing
I felt the knife in my hand and she laughed no more

My my my Delilah
Why why why Delilah
So before they come to break down the door
Forgive me Delilah I just couldn't take any more

Forgive me Delilah I just couldn't take any more

Don't Stop Believing

Just a small town girl
Livin' in a lonely world
She took the midnight train goin' anywhere

Just a city boy
Born and raised in south Detroit
He took the midnight train goin' anywhere

A singer in a smoky room
A smell of wine and cheap perfume
For a smile they can share the night
It goes on and on, and on, and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night

Streetlights, people
Living just to find emotion
Hiding somewhere in the night

Working hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice just one more time

Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on, and on, and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night

Streetlights, people
Living just to find emotion
Hiding somewhere in the night

Don't stop believin'
Hold on to the feelin'
Streetlights, people

Don't stop believin'
Hold on
Streetlights, people

Don't stop believin'
Hold on to the feelin'
Streetlights, people

Drunken Sailor Lyrics

What shall we do with a drunken sailor?
What shall we do with a drunken sailor?
What shall we do with a drunken sailor?

Early in the morning

Way hay and up she rises
Way hay and up she rises
Way hay and up she rises
Early in the morning

Shave his belly with a rusty razor
Shave his belly with a rusty razor
Shave his belly with a rusty razor
Early in the morning

CHORUS

Put him in the longboat until he's sober
Put him in the longboat until he's sober
Put him in the longboat until he's sober
Early in the morning

CHORUS

Stick him in the scupper with a hosepipe on him
Stick him in the scupper with a hosepipe on him
Stick him in the scupper with a hosepipe on him
Early in the morning

CHORUS

Put him in the bed with the captain's daughter
Put him in the bed with the captain's daughter
Put him in the bed with the captain's daughter
Early in the morning

CHORUS

That's what we do with a drunken sailor
That's what we do with a drunken sailor
That's what we do with a drunken sailor
Early in the morning

CHORUS

Edelweiss

Edelweiss, Edelweiss
Every morning you greet me
Small and white, clean and bright
You look happy to meet me
Blossom of snow may you bloom and grow
Bloom and grow forever
Edelweiss, Edelweiss
Bless my homeland forever

Edelweiss, Edelweiss
Every morning you greet me
Small and white, clean and bright
You look happy to meet me
Blossom of snow may you bloom and grow
Bloom and grow forever
Edelweiss, Edelweiss
Bless my homeland forever

Fields Of Gold

You'll remember me when the west wind moves
Upon the fields of barley
You'll forget the sun in his jealous sky
As we walk in fields of gold

So she took her love for to gaze awhile
Upon the fields of barley
In his arms she fell as her hair came down
Among the fields of gold

Will you stay with me, will you be my love
Among the fields of barley
We'll forget the sun in his jealous sky
As we lie in fields of gold

I never made promises lightly
And there have been some that I've broken
But I swear in the days still left
We'll walk in fields of gold
We'll walk in fields of gold

Many years have passed since those summer days
Among the fields of barley
See the children run as the sun goes down
Among the fields of gold

You'll remember me when the west wind moves
Upon the fields of barley
You can tell the sun in his jealous sky
When we walked in fields of gold
When we walked in fields of gold
When we walked in fields of gold

Food Glorious Food

Is it worth the waiting for
if we live till eighty-four
all we ever get is gruel
everyday we say a prayer
will they change the bill of fare
Still we get the same old gruel
there's not a crust not a crumb can we find
can we beg can we borrow or cadge
but there's nothing to stop us from getting a thrill
When we all close our eyes and imagine

Food glorious food
Hot sausage and mustard
while we're in the mood
cold jelly and custard
pease pudding and saveloys
What next is the question
Rich gentlemen have it boys
In-di-gestion
food glorious food we're anxious to try it
3 banquets a day our favourite diet
just picture a great big steak
Fried, roasted, or stewed oh food wonderful food
Marvellous food glorious food...

Food Glorious food what is there more handsom
gulped, swallowed, or chewed
Still worth a king's ransom
what is it we dream about
What brings on a sigh
piled peaches and cream about
Six feet high!!!

Food Glorious food eat right through the menu
just losen your belt
2 inches and then you

work up a new appetite
In this interlude
then food, once again food, fabulous food, glorious food....!

Food Glorious food don't care what it looks like
burned, underdone, crude don't care what the cook's like
just thinkin' of growing fat our senses go reeling
one moment of knowing that
full up feeling!!!!

Food glorious food what wouldn't we give for
that extra bit more that's all that we live for
why should we be fated to do nothing but grude
oh food, magical food, wonderful food, marvellous food, fabulous food,
beautiful food, glou-ri-ous fooooooooood.....!!!!

Get Me to the Church on Time

I'm gettin' married in the morning
Ding, dong, the bells are gonna chime
Pull out the stopper, we'll have a whopper
But get me to the church on time

I got to get there in the morning
Spruced up and lookin' in my prime
Girls come and kiss me, say that you'll miss me
But get me to the church on time

If I am dancing roll up the floor
If I am whistling right out the door

I'm getting married in the morning
Ding, dong the bells are gonna chime
Kick up a rumpus, don't lose your compass
Get me to the church, get me to the church
for Pete's sake, get me to the church on time

Green, Green Grass Of

The old home town looks the same
As I step down from the train
And there to meet me is my Mama and Papa

Down the road I look and there runs Mary
Hair of gold and lips like cherries
It's good to touch the green, green grass of home

Yes, they'll all come to meet me
Arms reaching, smiling sweetly
It's good to touch the green, green grass of home

The old house is still standing
Though the paint is cracked and dry
And there's that old oak tree that I used to play on

Down the lane I walk with my sweet Mary
Hair of gold and lips like cherries
It's good to touch the green, green grass of home

Then I awake and look around me
At four gray walls that surround me
And I realize, yes, I was only dreaming

For there's a guard and there's a sad old padre
Arm and arm we'll walk at daybreak
Again I'll touch the green, green grass of home

Yes, they'll all come to see me
In the shade of that old oak tree
As they lay me 'neath the green, green grass of home

Guide Me O Thou Great Redeemer

Guide me, O thou great redeemer,
Pilgrim through this barren land;
I am weak, but thou art mighty,
Hold me with thy powerful hand;
Bread of heaven, bread of heaven
Feed me till I want no more;
Feed me till I want no more.

Open now the crystal fountain
Whence the healing stream doth flow;
Let the fire and cloudy pillar
Lead me all my journey through:
Strong deliverer, strong deliverer;
Be thou still my strength and shield;
Be thou still my strength and shield.

When I tread the verge of Jordan,
Bid my anxious fears subside;
Death of death, and hell's destruction
Land me safe on Canaan's side:
Songs of praises, songs of praises,
I will ever give to thee;
I will ever give to thee.

"Hallelujah"

I've heard there was a secret chord
That David played / it pleased the Lord
But you don't really care for music, do ya
It goes like this /
The fourth / the fifth /
The minor fall, the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

You say I took the name in vain
But I don't even know the name
But if I did, well really / what's it to ya
There's a blaze of light
In every word
It doesn't matter which you heard
The holy or the broken Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool ya
And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

Hen Wlad Fy Nhadau

Mae hen wlad fy nhadau yn annwyl i mi,
Gwlad beirdd a chantorion, enwogion o fri;
Ei gwrol ryfelwyr, gwladgarwyr tra môd,
Dros ryddid gollasant eu gwaed.

Chorus:

*Gwlad, Gwlad, pleidiol wyf i'm gwlad,
Tra môr yn fur i'r bur hoff bau,
O bydded i'r heniaith barhau.*

Chorus:

*Gwlad, Gwlad, pleidiol wyf i'm gwlad,
Tra môr yn fur i'r bur hoff bau,
O bydded i'r heniaith barhau.*

Hey Jude

Hey, Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey, Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain,
Hey, Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool
Who plays it cool
By making his world a little colder

Da, da da, da da, da da, da da

Hey, Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in,
Hey, Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you,
Hey, Jude, you'll do
The movement you need is on your shoulder

Da, da da, da da, da da, da da yeah

Hey, Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better, better, better, better, better... oh!

Da, da da, da da, da, da, da da,
Hey, Jude
(Repeat)

Home on the Range

Oh give me a home where the buffalo roam,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

Home, home on the range,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

Where the air is so pure, and the zephyrs so free,
The breezes so balmy and light,
That I would not exchange my home on the range,
For all of the cities so bright.

Home, home on the range,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

How often at night when the heavens are bright,
With the light from the glittering stars,
Have I stood there amazed and asked as I gazed,
If their glory exceeds that of ours.

Home, home on the range,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

I Can't Help Falling in Love with You

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay, would it be a sin
If I can't help falling in love with you

Like a river flows surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand, take my whole life too
For I can't help falling in love with you

Like a river flows surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand, take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you

I Could Have Danced All Night

I Could have danced all night
I Could have danced all night
And still have begged for more

I could have spread my wings
And done a thousand things
I've never done before

I'll never know what made it so exciting
Why all at once my heart took flight
I only know when she began to dance with me
I could have danced, danced, danced all night

I could have danced all night
I could have danced all night
And still have begged for more

I could have spread my wings
And done a thousand things
I've never done before

I'll never know what made it so exciting
Why all at once my heart took flight
I only know when she began to dance with me
I could have danced, danced, danced all night

I Dreamed a Dream

I dreamed a dream in time gone by
When hope was high
And life worth living
I dreamed that love would never die
I dreamed that God would be forgiving
Then I was young and unafraid
And dreams were made and used and wasted
There was no ransom to be paid
No song unsung
No wine untasted

But the tigers come at night
With their voices soft as thunder
As they tear your hopes apart
As they turn your dreams to shame

He slept a summer by my side
He filled my days with endless wonder
He took my childhood in his stride
But he was gone when autumn came

And I still dream he'll come to me
That we will live the years together
But there are dreams that cannot be
And there are storms we cannot weather!

I had a dream my life would be
So different from this hell I'm living
So different now, from what it seemed
Now life has killed the dream I dreamed

I'd Like To Teach The World To Sing
(In Perfect Harmony)

I'd like to build the world a home
And furnish it with love
Grow apple trees and honey bees and snow-white turtle doves

I'd like to teach the world to sing
In perfect harmony
I'd like to hold it in my arms and keep it company

I'd like to see the world for once
All standing hand in hand
And hear them echo through the hills "Ah, peace throughout the land"

(That's the song I hear)
Let the world sing today
A song of peace that echoes on and never goes away.

Put your hand in my hand
Let's begin to day
Put your hand in my hand, help me find away

It's Not Unusual

It's not unusual to be loved by anyone
It's not unusual to have fun with anyone
But when I see you hanging about with anyone
It's not unusual to see me cry,
I wanna die

It's not unusual to go out at any time
But when I see you out and about it's such a crime
If you should ever wanna be loved by anyone,
It's not unusual it happens every day
No matter what you say
You'll find it happens all the time
Love will never do what you want it to
Why can't this crazy love be mine?

It's not unusual to be mad with anyone
It's not unusual to be sad with anyone
But if I ever find
That you've changed at anytime
It's not unusual to find that I'm in love with you

Imagine

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people living life in peace

You, you may say
I'm a dreamer, but I'm not the only one
I hope some day you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people sharing all the world

You, you may say
I'm a dreamer, but I'm not the only one
I hope some day you'll join us
And the world will live as one

Jerusalem

And did those feet in ancient time
Walk upon England's mountains green?
And was the holy Lamb of God
On England's pleasant pastures seen?
And did the Countenance Divine
Shine forth upon our clouded hills?
And was Jerusalem builded here
Among those dark Satanic mills?

Bring me my bow of burning gold!
Bring me my arrows of desire!
Bring me my spear! O clouds, unfold!
Bring me my chariot of fire!
I will not cease from mental fight
Nor shall my sword sleep in my hand
Till we have built Jerusalem
In England's green and pleasant land

King Of The Road

Trailer for sale or rent, rooms to let, fifty cents.
No phone, no pool, no pets, I ain't got no cigarettes
Ah, but, two hours of pushin' broom
Buys an eight by twelve four-bit room
I'm a man of means by no means, king of the road.

Third boxcar, midnight train, destination, Bangor, Maine.
Old worn out clothes and shoes,
I don't pay no union dues,
I smoke old stogies I have found short, but not too big around
I'm a man of means by no means, king of the road.

I know every engineer on every train
All of their children, and all of their names
And every handout in every town
And every lock that ain't locked, when no one's around.
I sing,

Trailers for sale or rent, rooms to let, fifty cents
No phone, no pool, no pets, I ain't got no cigarettes
Ah, but, two hours of pushin' broom
Buys an eight by twelve four-bit room
I'm a man of means by no means, king of the road.

Trailers for sale or rent, rooms to let, fifty cents
No phone, no pool, no pets, I ain't got no cigarettes
Ah, but, two hours of pushin' broom
Buys an eight by twelve four-bit room
I'm a man of means by no means, king of the road.

It's A Long Way To Tipperary

It's a long way to Tipperary,
It's a long way to go,
It's a long way to Tipperary,
To the sweetest girl I know!
Goodbye Piccadilly! Farewell Leicester Square!
It's a long, long way to Tipperary,
But my heart's right there!

It's a long way to Tipperary,
It's a long way to go,
It's a long way to Tipperary,
To the sweetest girl I know!
Goodbye Piccadilly! Farewell Leicester Square!
It's a long, long way to Tipperary,
But my heart's right there!

It's a long way to Tipperary,
It's a long way to go,
It's a long way to Tipperary,
To the sweetest girl I know!
Goodbye Piccadilly! Farewell Leicester Square!
It's a long, long way to Tipperary,
But my heart's right there!

Love Me Tender

Love me tender,
love me sweet,
never let me go.
You have made my life complete,
and I love you so.

chorus

Love me tender,
love me true,
all my dreams fulfilled.
For my darlin' I love you,
and I always will.

Love me tender,
love me long,
take me to your heart.
For it's there that I belong,
and we'll never part.

chorus

Love me tender,
love me dear,
tell me you are mine.
I'll be yours through all the years,
till the end of time.

chorus

(When at last my dreams come true
Darling this I know
Happiness will follow you
Everywhere you go).

chorus

Make You Feel My Love

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I will never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry; I'd go black and blue
I'd go crawling down the avenue
No, there's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

I could make you happy, make your dreams come true
Nothing that I wouldn't do
Go to the ends of the Earth for you
To make you feel my love
To make you feel my love

Mamma Mia

I've been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything, w-o-o-o-oh

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know,
My my, I could never let you go.

I've been angry and sad about things that you do
I can't count all the times that I've told you we're through
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong.
Just one look and I can hear a bell ring
One more look and I forget everything, w-o-o-o-oh

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, even if I say
Bye bye, leave me now or never
mamma mia, it's a game we play
Bye bye doesn't mean forever

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go
Mamma mia, now I really know
My my, I could never let you go

Men of Harlech

Men of Harlech, stop your dreaming,
Can't you see their spearpoints gleaming,
See their warrior pennants streaming,
To this battle field!

Men of Harlech stand ye steady,
It cannot be ever said ye,
For the battle were not ready,
Welshmen never yield!

From the hills rebounding,
Let this war cry sounding,
Summon all at Cambria's call,
The mighty force surrounding!

Men of Harlech on to glory,
This will ever be your story,
Keep these burning words before ye,
Welshmen will not yield!

Moon River

Moon river, wider than a mile
I'm crossing you in style some day
Oh, dream maker, you heart breaker
Wherever you're going, I'm going your way

Two drifters, off to see the world
There's such a lot of world to see
We're after the same rainbow's end, waiting, round the bend
My Huckleberry Friend, Moon River, and me

Moon river, wider than a mile
I'm crossing you in style some day
Oh, dream maker, you heart breaker
Wherever you're going, I'm going your way

Two drifters, off to see the world
There's such a lot of world to see
We're after that same rainbow's end, waiting, round the bend
My Huckleberry Friend, Moon River, and me

My Favourite Things

(A new version of a popular song for those who have reached a 'certain age'. Adapted by Helen Piddock-Jones)

Wrinkles and laugh lines and needles for knitting
Handrails and warm gloves and new dental fittings
Pacemakers, golf carts and soft seats that swing
These are a few of my favourite things

Pensions, free health checks, deaf aides and bus passes,
Loose clothes and slippers and false teeth in glasses,
Footstools and 'riser recliners' with wings,
These are a few of my favourite things.

When the pipes leak, when the bones creak, when the knees are bad,
I simply remember my favourite things, and then I don't feel so sad.

Back pain, confused brains and no breath for sinnin',
Thin bones and fractures and hair that is thinnin',
Long ago mem'ries and old songs we sing
These are a few of my favourite things.

Hot tea and crumpets, and corn pads, and bunions,
No spicy hot meals or food cooked with onions,
Old friends and new friends, the laughs that life brings
These are a few of my favourite things.

When the joints ache, when the hips break, when my feet are bad,
I simply remember my favourite things, and then I don't feel so sad.

My Little Welsh Home

I am dreaming of the mountains of my home
Of the mountains where in childhood I would roam
I have dwelt 'neath southern skies
Where the summer never dies
But my heart is in the mountains of my home

I can see the little homestead on the hill
I can hear the magic music of the Rhyll
There is nothing to compare
With the love that once was there
In the lonely little homestead on the hill

I can see the quiet churchyard down below
Where the mountain breezes wander to and fro
And when God my soul will keep
It is there I want to sleep
With those dear old folks that loved me long ago

My Way

And now, the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case, of which I'm certain
I've lived a life that's full
I've travelled each and every highway
But more, much more than this
I did it my way

Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exemption
I planned each charted course
Each careful step along the byway
And more, much more than this
I did it my way

Yes, there were times, I'm sure you knew
When I bit off more than I could chew
But through it all, when there was doubt
I ate it up and spit it out
I faced it all and I stood tall
And did it my way

I've loved, I've laughed and cried
I've had my fill my share of losing
And now, as tears subside
I find it all so amusing
To think I did all that
And may I say - not in a shy way
Oh no, oh no, not me
I did it my way

For what is a man, what has he got
If not himself, then he has naught
To say the things he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it my way
Yes, it was my way

On My Own

On my own
Pretending he's beside me
All alone
I walk with him till morning
Without him
I feel his arms around me
And when I lose my way I close my eyes
And he has found me

In the rain the pavement shines like silver
All the lights are misty in the river
In the darkness, the trees are full of starlight
And all I see is him and me forever and forever

And I know it's only in my mind
That I'm talking to myself and not to him
And although I know that he is blind
Still I say, there's a way for us

I love him
But when the night is over
He is gone
The river's just a river
Without him
The world around me changes
The trees are bare and everywhere
The streets are full of strangers

I love him
But every day I'm learning
All my life
I've only been pretending
Without me
His world will go on turning
A world that's full of happiness
That I have never known

I love him
I love him
I love him
But only on my own

OOM PAH PAH

OOM PAH PAH, OOM PAH PAH, THAT'S HOW IT GOES

AN INCH OR TWO AND THEN SHE KNEW WHEN TO SAY WHEN

OOM PAH PAH, OOM PAH PAH, THAT'S HOW IT GOES
OOM PAH PAH, OOM PAH PAH, EV'RYONE KNOWS
THEY ALL SUPPOSE WHAT THEY WANT TO SUPPOSE
WHEN THEY HEAR OOM PAH PAH

Pack up your Troubles

Pack up your troubles in your old kit-bag,
And smile, smile, smile,
While you've a lucifer to light your fag,
Smile, boys, that's the style.
What's the use of worrying?
It never was worth while, so
Pack up your troubles in your old kit-bag,
And smile, smile, smile.

Pack up your troubles in your old kit-bag,
And smile, smile, smile,
While you've a lucifer to light your fag,
Smile, boys, that's the style.
What's the use of worrying?
It never was worth while, so
Pack up your troubles in your old kit-bag,
And smile, smile, smile.

Somewhere only we know

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river, and it made me complete

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I've been dreaming of?

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go
Somewhere only we know?

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go?
So why don't we go?

This could be the end of everything
So why don't we go
Somewhere only we know
Somewhere only we know
Somewhere only we know?

SOMEWHERE

There's a place for us,
Somewhere a place for us.
Peace and quiet and open air
Wait for us
Somewhere.

There's a time for us,
Some day a time for us,
Time together with time spare,
Time to learn, time to care,
Some day!

Somewhere.
We'll find a new way of living,
We'll find a way of forgiving
Somewhere . . .

There's a place for us,
A time and place for us.
Hold my hand and we're halfway there.
Hold my hand and I'll take you there
Somehow,
Some day,
Somewhere!

Sosban fach

Sosban fawr yn berwi ar y llawr,

Dai bach y sowldiwr,

Streets Of London

Have you seen the old man, In the closed down market,
Picking up the papers, With his worn out shoes,
In his eyes you see no pride, And hanging loosely at his side,
Yesterday's paper, Telling yesterday's news,

So how can you tell me you're lonely,
And say for you that the sun don't shine,
Well let me take you by the hand,
And lead you through the streets of London,
I'll show you something to make you change your mind,

And have you seen the old dear, Who walks the streets of London,
Dirt in her hair and her clothes in rags,
She's no time for talking, She just keeps right on walking,
Carrying her home, In two carrier bags,

So how can you tell me you're lonely,
And say for you that the sun don't,
Well let me take you by the hand,
And lead you through the streets of London,
I'll show you something to make you change your mind,

And in the all night cafe, At a quarter past eleven,
Same old man, Sitting there on his own,
Looking at the world over the rim of his teacup
And each tea lasts an hour, And he wanders home alone,

So how can you tell me that you're lonely,
And say for you that the sun don't shine,
Well let me take you by the hand,
And lead you through the streets of London,
I'll show you something to make you change your mind,

And have you seen the old man, Outside the seaman's mission,
Memory fading with the medal ribbons that he wears,
And in the winter city, The rain cries a little pity,
One more forgotten hero, And a World that doesn't care,

So how can you tell me that you're lonely,
And say for you that the sun don't shine,
Well let me take you by the hand and lead you through the streets of
London,
I'll show you something to make you change your mind.

Sway

When marimba rhythms start to play
Dance with me, make me sway
Like a lazy ocean hugs the shore
Hold me close, sway me more

Like a flower bending in the breeze
Bend with me, sway with ease
When we dance you have a way with me
Stay with me, sway with me

Other dancers may be on the floor
Dear, but my eyes will see only you
Only you have that magic technique
When we sway I go weak

I can hear the sounds of violins
Long before it begins
Make me thrill as only you know how
Sway me smooth, sway me now

Other dancers may be on the floor
Dear, but my eyes will see only you
Only you have that magic technique
When we sway I go weak

I can hear the sounds of violins
Long before it begins
Make me thrill as only you know how
Sway me smooth, sway me now

You know how, sway me now

The Blaydon Races

I went to Blaydon Races
Twas on the ninth of June
Eighteen Hundred and Sixty Two
On a summer's afternoon
I took the bus from Balmbras
And she was heavy laden
Away we went along Collingwood Street
That's on the Road to Blaydon

Oh me lads, you should've seen us gannin
Passing the folks along the road
And all of them were starin'
All the lads and lasses there
They all had smilin' faces
Gannin along the Scotswood Road
To see the Blaydon Races

We flew past Armstrong's factory
And up by the Robin Adair
But gannin ower the Railway Bridge
The bus wheel flew off there
The lasses lost their crinolenes
And veils that hide their faces
I got two black eyes and a broken nose
In gannin to Blaydon Races

Oh me lads...

Now when we got the wheel back on
Away we went again
But them that had their noses broke
They went back ower hyem
Some went to the dispensary
And some to Doctor Gibbses
And some to the infirmary
To mend their broken ribses

Oh me lads...

We flew across the Tyne Bridge
And came to Blaydon Toon
The barman he was calling then
They called him Jackie Broon
I saw him talking to some chaps
And then he was persuadin'
To gan and see Geordie Ridley's show
At the Mechanics' Hall in Blaydon

Oh me lads...

Now when we got to Paradise
There were bonny games begun
There were four and twenty on the bus
And how we danced and sung
They called on me to sing a song
So I sang 'em 'Paddy Fagan'
I danced a jig and I swung me twig
The day I went to Blaydon

Oh me lads...

The rain it poured down all the day
And made the ground quite muddy
Coffee Johnny had a white hat on
Shouted 'Wee stole the cuddy?'
There were spice stalls and monkey shows
And old wives selling ciders
And the chap on the ha'penny roundabout
Saying 'Any more lads for riders?'

Oh me lads... (to fade)

The Lord bless you and keep you

The Lord bless you and keep you;
The Lord make His face to shine upon you
To shine upon you and be gracious
And be gracious unto you

The Lord bless you and keep you
The Lord make His face to shine upon you
To shine upon you and be gracious
And be gracious unto you

The Lord lift up the light of His countenance upon you
The Lord lift up the light of His countenance upon you
And give you peace, and give you peace;
And give you peace, and give you peace:

Amen, Amen, Amen

Amen, Amen, Amen

Amen

The Quartermaster's Stores.

There were rats, rats, big as blooming cats
In the stores. In the stores.
There were rats, rats, lying about on mats
In the Quartermaster's Stores.

My eyes are dim I cannot see,
I have not brought my specs with me,
I have not bought my specs with me.

There was steak, steak, tough as cattle cake,
In the stores, In the stores,
There was steak, steak, to give you belly ache,
In the Quartermaster's Stores.

My eyes are dim I cannot see,
I have not brought my specs with me,
I have not bought my specs with me.

There was bread, bread, harder than your head,
In the stores. In the stores,
There was bread, bread, just like lumps of lead,
In the Quartermaster's Stores.

My eyes are dim I cannot see,
I have not brought my specs with me,
I have not bought my specs with me.

The Rose

Some say love, it is a river
That drowns the tender reed.
Some say love, it is a razor
That leaves your soul to bleed.
Some say love, it is a hunger,
An endless aching need.
I say love, it is a flower,
And you its only seed

It's the heart afraid of breaking
That never learns to dance.
It's the dream afraid of waking
That never takes the chance.
It's the one who won't be taken,
Who cannot seem to give,
And the soul afraid of dyin' .
That never learns to live.

When the night has been too lonely
And the road has been too long,
And you think that love is only
For the lucky and the strong,
Just remember in the winter
Far beneath the bitter snow
Lies the seed that with the sun's love
In the spring becomes the rose.

Waterloo

My, my, at Waterloo Napoleon did surrender
Oh yeah, and I have met my destiny in quite a similar way
The history book on the shelf
Is always repeating itself

Waterloo - I was defeated, you won the war
Waterloo - promise to love you for ever more
Waterloo - couldn't escape if I wanted to
Waterloo - knowing my fate is to be with you
Waterloo - finally facing my Waterloo

My, my, I tried to hold you back but you were stronger
Oh yeah, and now it seems my only chance is giving up the fight
And how could I ever refuse
I feel like I win when I lose

Waterloo - I was defeated, you won the war
Waterloo - promise to love you for ever more
Waterloo - couldn't escape if I wanted to
Waterloo - knowing my fate is to be with you
Waterloo - finally facing my Waterloo

So how could I ever refuse
I feel like I win when I lose

Waterloo - couldn't escape if I wanted to
Waterloo - knowing my fate is to be with you
Waterloo - finally facing my Waterloo

Waterloo - knowing my fate is to be with you
Waterloo - finally facing my Waterloo
Waterloo - knowing my fate is to be with you

We'll keep a welcome

Verse

Far away a voice is calling
Bells of mem'ry chime
'Come home again, come home again'
They call thro' the oceans of time

Chorus

We'll keep a welcome in the hillsides
We'll keep a welcome in the vales
This land you know will still be singing
When you come home again to Wales
This land of song will keep a welcome
And with a love that never fails
Will kiss away each hour of Hiraeth
When you come home again to Wales

We'll Meet Again

We'll meet again,
Don't know where,
Don't know when
But I know we'll meet again some sunny day

Keep smiling through,
Just like you always do
'Til the blue skies drive the dark clouds far away

So will you please say "Hello"
To the folks that I know?
Tell them I won't be long
They'll be happy to know
That as you saw me go
I was singing this song

We'll meet again,
Don't know where,
Don't know when
But I know we'll meet again some sunny day

We'll meet again,
Don't know where
Don't know when.
But I know we'll meet again some sunny day.

Keep smiling through
Just like you always do,
'Til the blue skies drive the dark clouds far away

So will you please say "Hello"
To the folks that I know?
Tell them I won't be long.
They'll be happy to know
That as you saw me go,
I was singin' this song.

We'll meet again,
Don't know where,
Don't know when
But I know we'll meet again some sunny day

What A Wonderful World

I see trees of green
Red roses too
I see them bloom
For me and you
And I think to myself
What a wonderful world

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by
I see friends shaking hands
Saying, "How do you do?"
They're really saying
"I love you"

I hear babies cry
I watch them grow
They'll learn much more
Than I'll never know
And I think to myself
What a wonderful world

Yes, I think to myself
What a wonderful world

Oh yeah

When The Red, Red Robin Comes Bob, Bob, Bobbin' Along

When the red red robin comes bob bob bobbin' along along
There'll be no more sobbin'
When he starts throbbin' his old sweet song
Wake up wake up you sleepy head
Get up get up get out of bed
Cheer up cheer up the sun is red
Live love laugh and be happy

What if i've been blue
Now I'm walkin' through fields of flowers
Rain may glisten
But I still listen for hours and hours
I'm just a kid again
Doing what I did again
Singin' a song

When the red red robin comes bob bob bobbin' along along

When The Saints Go Marching In

Oh, when the saints go marching in
Oh, when the saints go marching in
Dear Lord, I want to be in that number
When the saints go marching in

Oh, when the sun refuse to shine
Oh, when the sun refuse to shine
Dear Lord I want to be in that number
When the sun refuse to shine

Oh when they crown Him Lord of All
Oh when they crown Him Lord of All
Dear Lord, I want to be in that number
When they crown Him Lord of All

Oh, when they gather 'round the throne
Oh, when they gather 'round the throne
Dear Lord, I want to be in that number
When they gather 'round the throne

When You're Smiling

When you're smiling, when you're smiling
The whole world smiles with you
When you're laughing, oh when you're laughing
The sun comes shining through

But when you're crying, you bring on the rain
So stop that sighing, be happy again
Keep on smiling, 'cause when you're smiling
The whole world smiles with you

When you're smiling, when you're smiling
The whole world smiles with you
When you're laughing, oh when you're laughing
The sun comes shining through

But when you're crying, you bring on the rain
So stop that sighing, be happy again
Keep on smiling, 'cause when you're smiling
The whole world smiles with you

With A Little Help From My Friends

What would you think if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm gonna try with a little help from my friends

What do I do when my love is away?
(Does it worry you to be alone?)
How do I feel by the end of the day?
(Are you sad because you're on your own?)
No I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm gonna try with a little help from my friends

(Do you need anybody?)
I need somebody to love
(Could it be anybody?)
I want somebody to love

(Would you believe in a love at first sight?)
Yes I'm certain that it happens all the time
(What do you see when you turn out the light?)
I can't tell you, but I know it's mine
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Oh I'm gonna try with a little help from my friends

(Do you need anybody?)
I just need someone to love
(Could it be anybody?)
I want somebody to love

Oh I get by with a little help from my friends
Mm gonna try with a little help from my friends
Oh I get high with a little help from my friends

Yes I get by with a little help from my friends
With a little help from my friends

Wooden Heart

Can't you see
I love you
Please don't break my heart in two
That's not hard to do
Cause I don't have a wooden heart

And if you say goodbye
Then I know that I would cry
Maybe I would die
Cause I don't have a wooden heart

There's no strings upon this love of mine
It was always you from the start
Treat me nice
Treat me good
Treat me like you really should
Cause I'm not made of wood
And I don't have a wooden heart
Muss i denn, muss i denn
Zum stadtele hinaus
Stadtele hinaus
Und du, mein schat, bleibst hier?
Muss i denn, muss i denn
Zum stadtele hinaus
Stadtele hinaus
Und du, mein schat, bleibst hier?
There's no strings upon this love of mine
It was always you from the start
Sei mir gut
Sei mir gut
Sei mir wie du wirklich sollst
Wie du wirklich sollst
Cause I don't have a wooden heart

Wouldn't It Be Loverly

All I want is a room somewhere
Far away from the cold night air
With one enormous chair
Oh, wouldn't it be loverly?

Lots of chocolate for me to eat
Lots of coal makin' lots of 'eat
Warm face, warm 'ands, warm feet
Oh, wouldn't it be loverly?

Oh so loverly sittin' abso-bloomin'-lutely still
I would never budge till Spring crept over mi window sill

Someone's 'ead restin' on my knee
Warm and tender as 'e can be
Who takes good care of me
Oh, wouldn't it be loverly?

Who takes good care of me
Oh, wouldn't it be loverly? (loverly)
Loverly (lovely)
wouldn't it be loverly?

Yellow Submarine

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines

So we sailed up to the sun
Till we found the sea of green
And we lived beneath the waves
In our yellow submarine

Chorus:

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all on board
Many more of them live next door
And the band begins to play

Chorus:

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

As we live a life of ease
Everyone of us has all we need
Sky of blue and sea of green
In our yellow submarine

Chorus:

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

Chorus:

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

You Are My Sunshine

You are my sunshine, my only sunshine
You make me happy when skies are grey
You never know, dear, how much I love you
Please don't take my sunshine away

The other night, dear, as I lay sleeping
I dreamt that you were by my side
When I awoke, dear, I was mistaken
So I hung my head, and cried

You are my sunshine, my only sunshine
You make me happy when skies are grey
You never know, dear, how much I love you
Please don't take my sunshine away

I'll always love you and make you happy
If you will only say the same
But if you leave me to love another,
You'll regret it all one day

You are my sunshine, my only sunshine
You make me happy when skies are grey
You never know, dear, how much I love you
Please don't take my sunshine away

Please don't take my sunshine away

You'll Never Walk Alone

When you walk through the storm
Hold your head up high
And don't be afraid of the dark
At the end of the storm
There's a golden sky
And the sweet silver song of the lark

Walk on, through the wind
Walk on, through the rain
Though your dreams be tossed and blown
Walk on, walk on, with hope in your heart
And you'll never walk alone
You'll never walk alone

Walk on, walk on, with hope in your heart
And you'll never walk alone
You'll never walk alone

You Raise Me Up

When I am down and, oh, my soul, so weary;
When troubles come and my heart burdened be;
Then I am still and wait here in the silence,
Until you come and sit awhile with me

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

There is no life — no life without its hunger;
Each restless heart beats so imperfectly
But when you come and I am filled with wonder,
Sometimes, I think I glimpse eternity.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

You raise me up to more than I can be.
